

THE HAMPTON

An inviting two-story foyer leads to the elegant formal living and dining areas and is accented by a grand wrap around staircase.

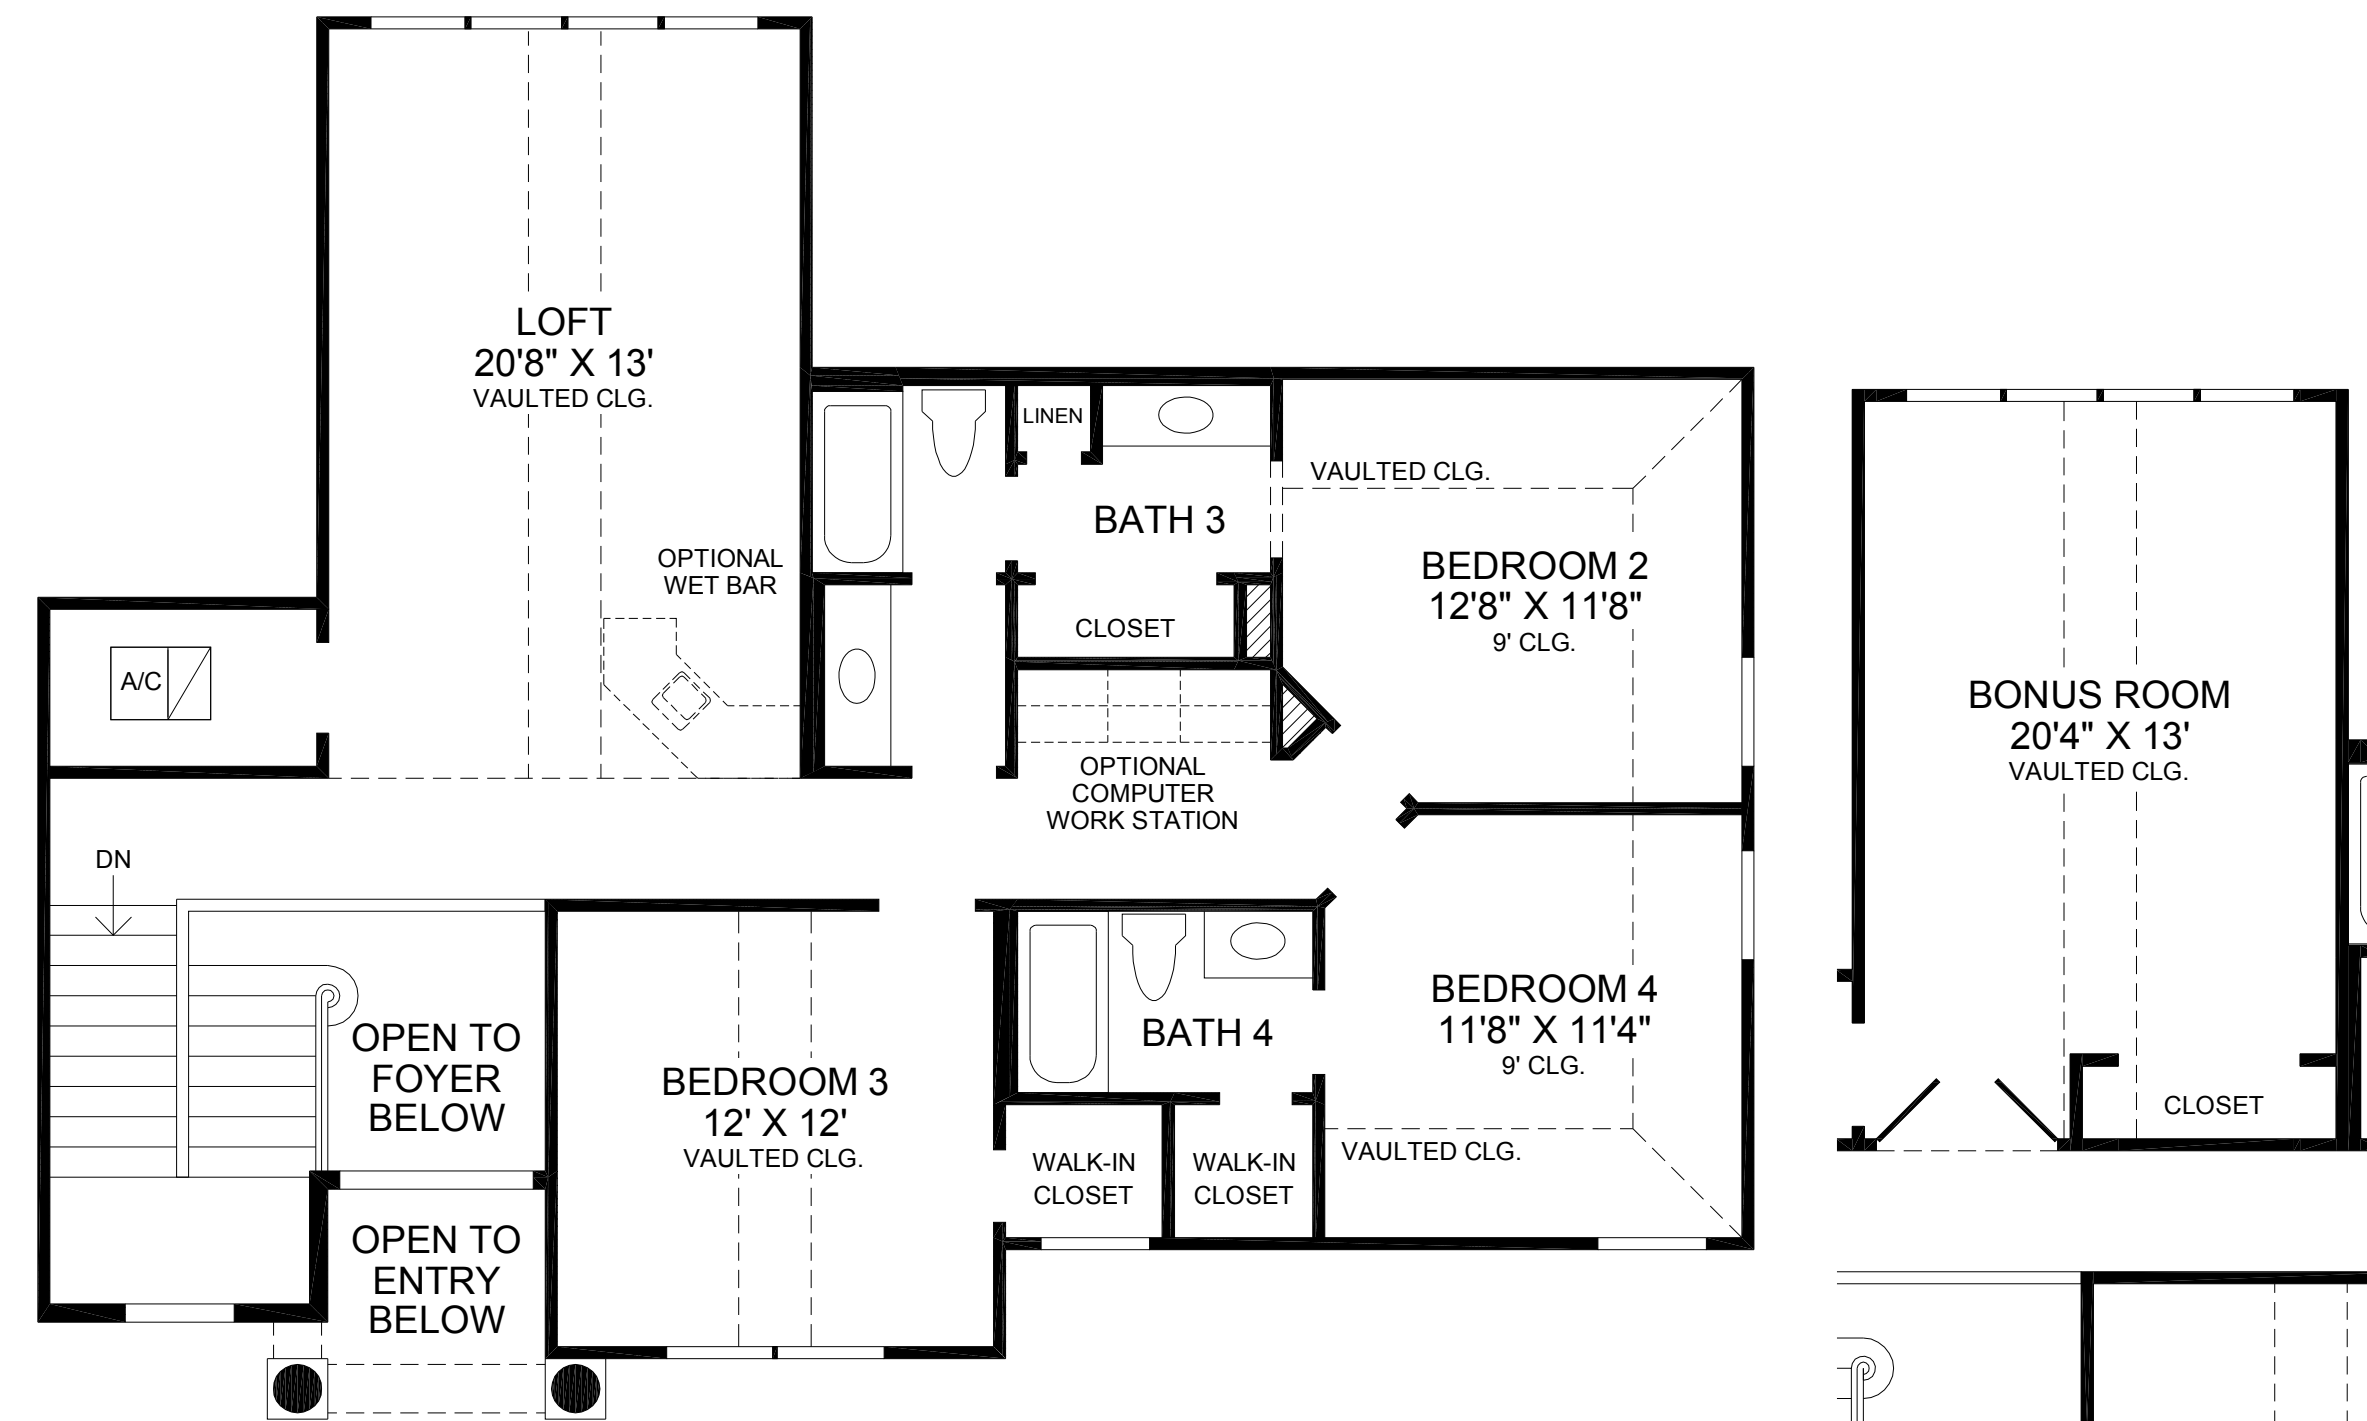

The well-equipped gourmet kitchen boasts a center island, walk-in pantry, and raised snack bar that overlooks a sunlit breakfast area that has direct access to the covered lanai and an expansive family room with a custom fireplace and vaulted ceiling.

The master bedroom suite, in a private wing of the home, features access to the covered lanai, large sitting area, beautiful coffered ceiling and a luxurious master bath with a split plan walk-in closet, his-and-her vanities, Roman tub, separate shower, and private water closet.

A spacious second floor loft overlooks the foyer below and leads to three additional bedrooms and two baths. Other highlights of this home include a first-floor-secondary bedroom, cabana bath, separate laundry room, and a two-car courtyard garage.
