A covered entry opens to an impressive two-story foyer which is accented by a lovely staircase and graceful arched openings. An elegant living room and a formal dining room with a stunning curved window wall flank the foyer setting the scene for luxurious entertaining.

The well-appointed kitchen boasts a center work island, a separate pantry and a raised snack bar that overlooks a sun lit breakfast area that features a bay window and direct access to the covered lanai. Adjacent to the kitchen is an expansive two-story family room which features a custom fireplace and beautiful views of the rear landscape.

The master bedroom suite includes a double door entrance, a coffered ceiling and a lavish master bath with a large walk-in closet, dual vanities, Roman tub, separate shower, and private water closet.

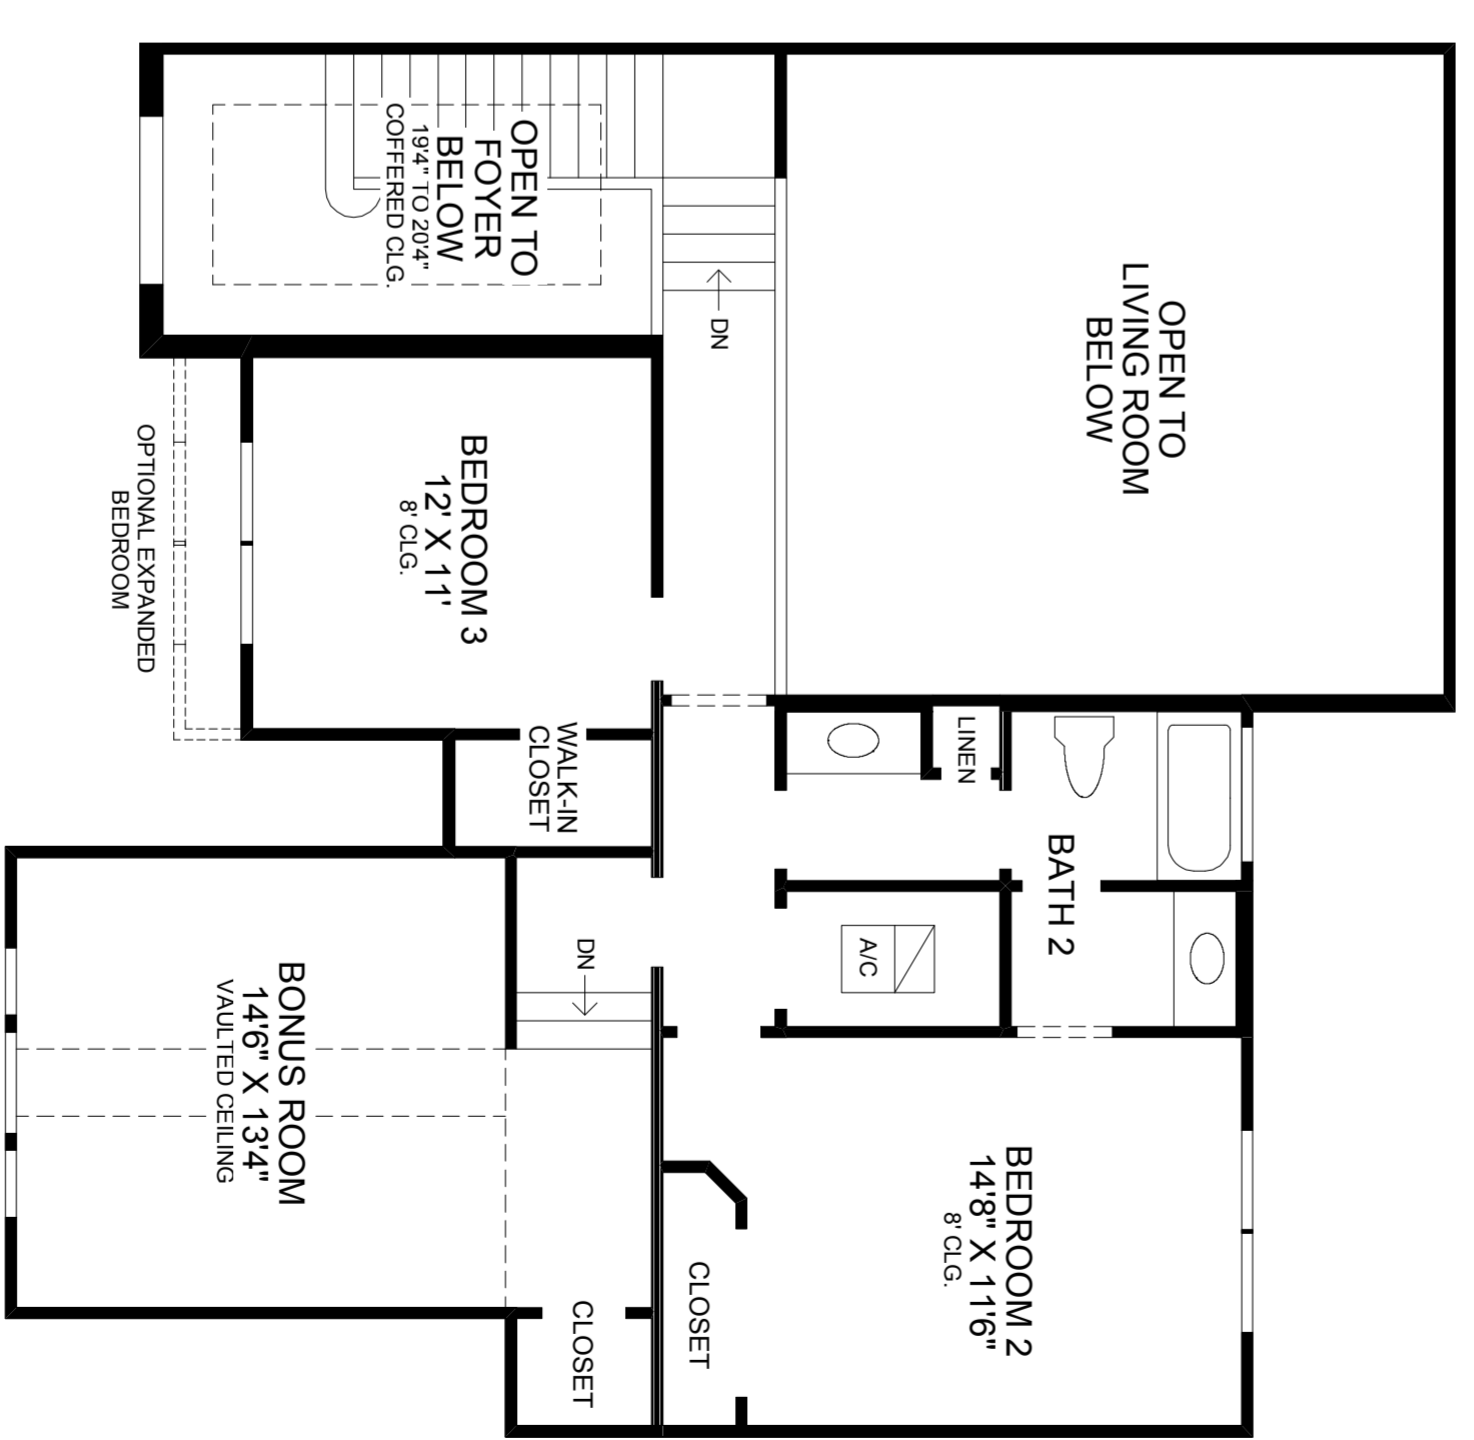

Upstairs, an open bridge overlooks the foyer and family areas below and leads to a versatile bonus room and two additional bedrooms that share a unique Jack-and-Jill style bath. This family oriented home is further enhanced by a cabana bath, a separate laundry room and a two-car garage.
